A PREMIER INSTITUTE FOR DEFENCE MANAGEMENT EXCELLENCE

National Academy of Defence Production (NADP), Nagpur.

A Unit of Munitions India Limited

NADP is a premier central training institute (CTI) recognized by DoP&T, working in the field of Defence for the past 40 years, and accredited as "Ati Utkrish" (4 star graded out of 5.0) by the Capacity Building Commission New Delhi. NADP was a part of erstwhile OFB, MoD, which had a glorious past of 200 years of defence manufacturing. It has trained more than 20,000 officers from various cadres such as IOFS, IOFHS, IDAS, CLS, Service officers of armed forces and executives from private Defence industries. NADP is the first institute in the country to run a AICTE approved PGDM with a focus on Defence industries. NADP is the largest contributor to "iGOT among all Defence Organisations", reaching out to nearly 4 lakh learners with a rating of more than 4.5 in a 5.0 scale.

ACADEMIC STRENGTH

NADP runs India's **first and only defence-focused PGDM (Business Management)**, mentored by IIM Indore and aligned with global management education benchmarks.

ABOUT NADP

Dr. J. P. DASH

Principal Director

Dear Aspiring Leaders,

Welcome to the National Academy of Defence Production’s PGDM (BM) program — a journey into leadership, strategy and innovation focused on the defence sector.

At NADP, we believe leadership must be ethical, strategic and driven by purpose. Our AICTE-approved program is designed to create professionals who can navigate complex environments and build Atma Nirbhar Bharat through cutting-edge management and technology skills.

Warm Regards,
Dr. J.P. Dash
 Principal Director, NADP

NADP PGDM – GROOMING INDUSTRY-READY LEADERS

Dear Prospective Leaders,

At our institution, we believe in shaping leaders who are not only academically accomplished but also industry-ready from day one.

Our comprehensive curriculum blends core management principles with specialized expertise in Operations, Supply Chain, Marketing, Finance, HR, and Strategy. Through live projects, case studies, and industry interactions, students gain practical exposure that transforms knowledge into action.

We emphasize skill development—nurturing analytical thinking, leadership qualities, and problem-solving abilities that empower graduates to drive efficiency, innovation, and sustainable growth.

For our partners and stakeholders, this program is a gateway to future-ready talent—a pool of professionals prepared to add immediate value and lead with impact.

Together, we are building a community of excellence, collaboration, and innovation.

– **Rajarshi Dey**
 Deputy Director & Program Director

“Defence is our canvas; innovation and leadership are our brushstrokes.”

CREATING LEADERS FOR DEFENCE & BEYOND

The PGDM (BM) program at NADP develops strategic thinkers who can lead in defence and corporate sectors. Students learn to integrate technology, policy and business for nation-building.

LEARNING OUTCOMES:

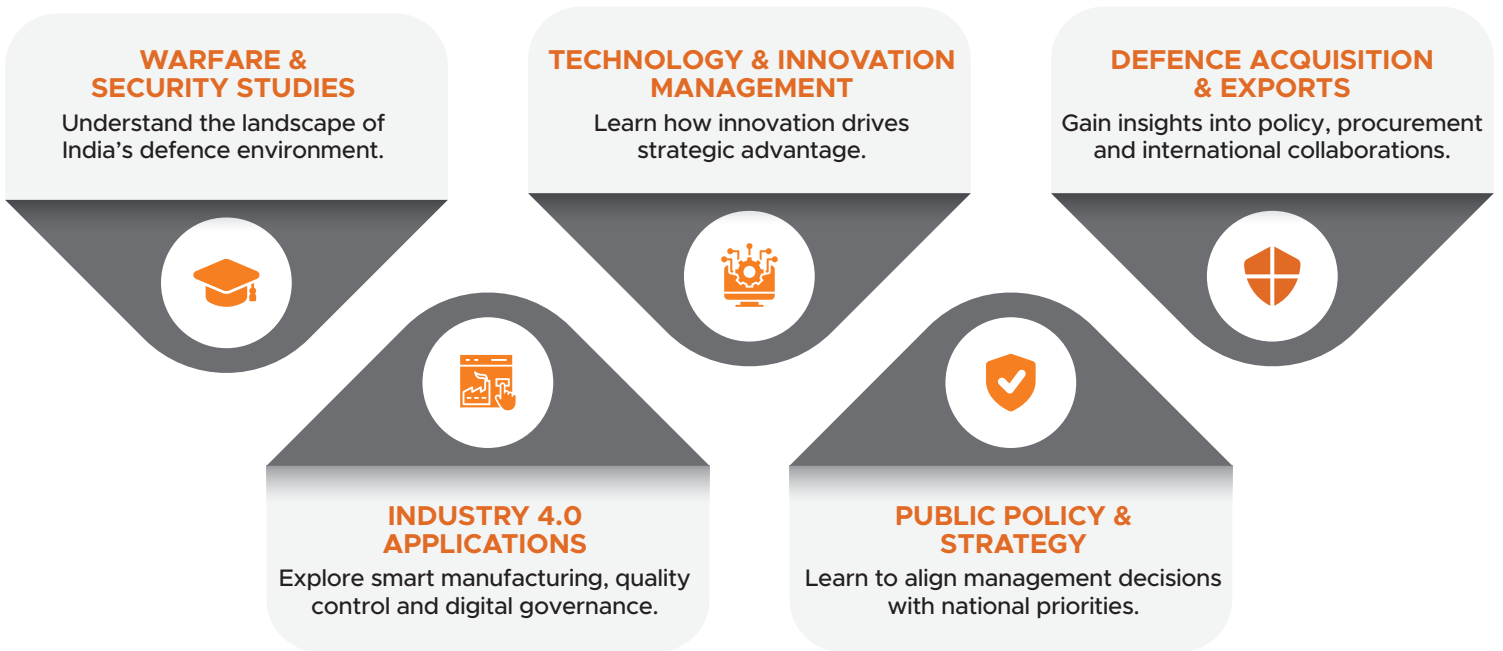

AN INNOVATIVE CURRICULUM FOR THE DEFENCE-DRIVEN ECONOMY

Our two-year, four-semester PGDM (BM) blends core business disciplines with defence management insights. The curriculum combines classroom learning, case studies, projects, industrial visits, and internships for holistic growth.

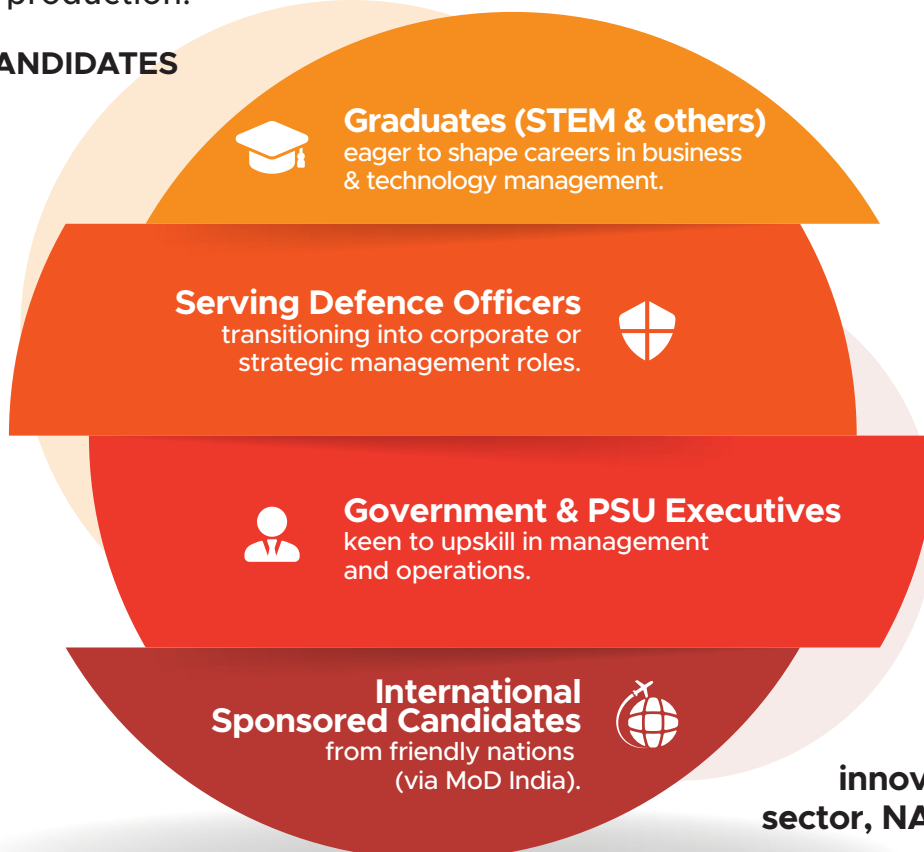

DEFENCE MANAGEMENT – A UNIQUE NADP EDGE

WHO SHOULD JOIN THE PGDM (BM)?

The program is designed for individuals passionate about leadership, innovation, and defence production.

IDEAL CANDIDATES

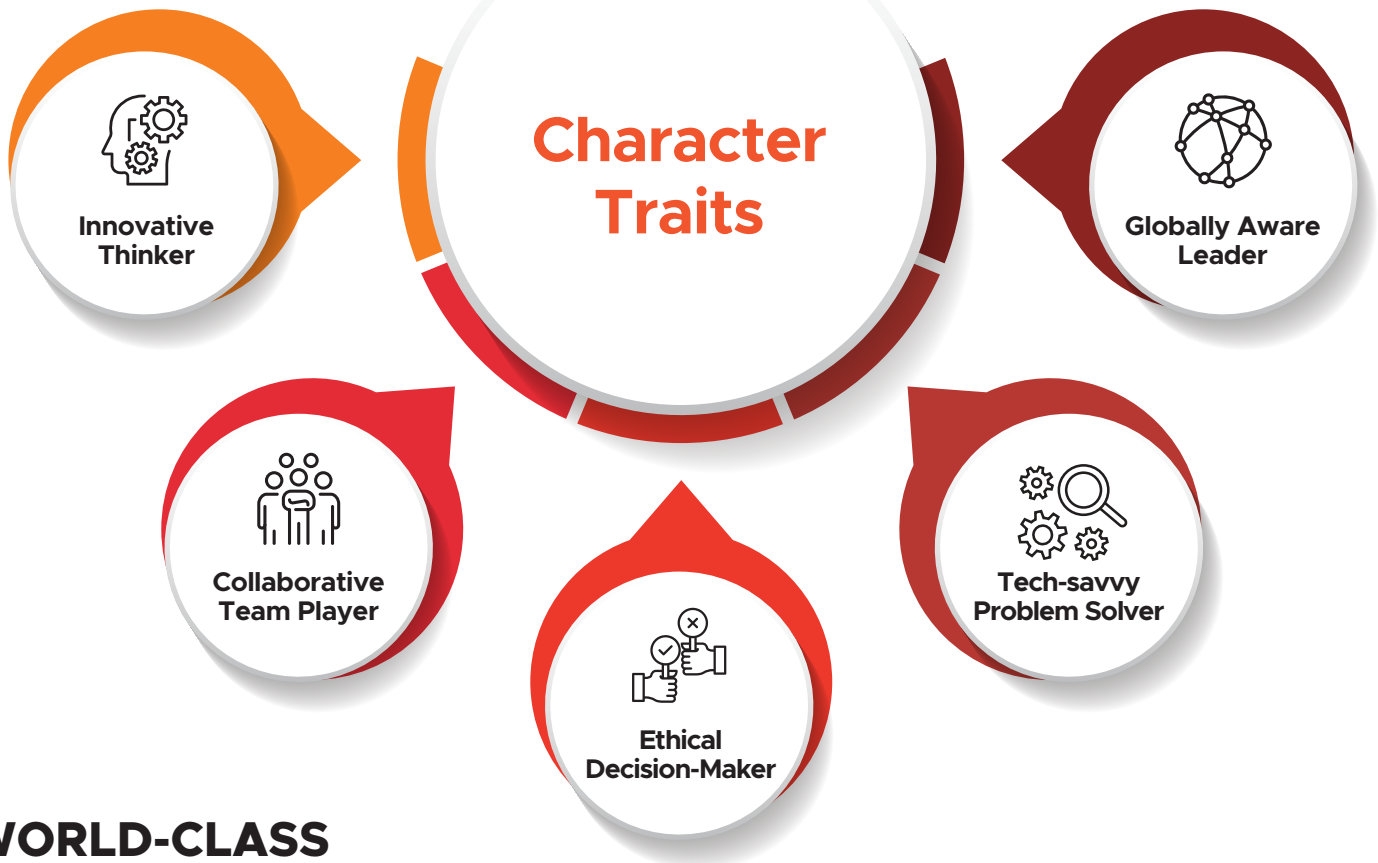

“If you aspire to lead innovation in India’s defence sector, NADP is your launchpad.”

MEET AANYA — THE FACE OF A FUTURE LEADER

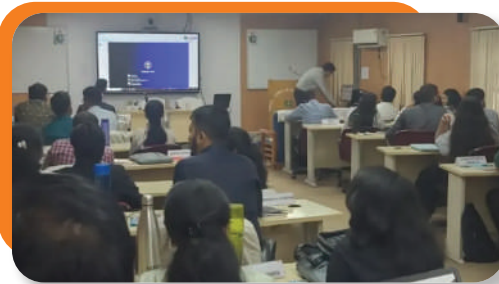

Aanya is a PGDM (BM) student — a curious mind with a passion for learning. She's analytical, strategic, and tech-savvy. Her discipline, teamwork, and ethical mindset make her an ideal example of what NADP nurtures: leaders who think, adapt, and transform.

WORLD-CLASS INFRASTRUCTURE DESIGNED FOR EXCELLENCE

NADP provides an advanced learning environment with modern classrooms, smart lecture halls, and digital facilities.

COLLABORATIONS & PARTNERSHIPS

EMPOWERING MIND, BODY & SPIRIT

NADP emphasizes holistic growth, combining management education with emotional and spiritual well-being.

LEARNING THROUGH REAL INDUSTRY EXPOSURE

Industrial visits at NADP bridge the gap between classroom concepts and real-world operations. Students interact with industry experts and observe defence manufacturing processes first-hand.

GLOBAL ACADEMIC PARTNERSHIP

NADP × Taksheela Institute of Education (TIE)

A strategic MoU expanding global exposure with national excellence (NIRF & NAAC), empowering future defence leaders through global immersion, semester abroad, virtual internships, and AI-driven mentorship.

IGNITING INNOVATION AND START-UP SPIRIT

Where Ideas Take Flight

At NADP, innovation isn't a buzzword — it's a blueprint. From defence-grade prototypes to AI-powered analytics, our Innovation Cell is buzzing with breakthroughs.

PATENT POWER

In 2024-25, NADP filed 4 design patents — each one a leap in defence tech:

AI-Based Helpdesk Device
Smart decision support

Supply Chain Tracker
Real-time plant ops monitoring

Multimedia Analytics Interface
Data meets design

Portable Metal Melting Machine
Rapid prototyping for defence

These aren't just ideas — they're registered innovations, built by NADP faculty and students.

Ideation Workshops
Hands-on design thinking with Anil Pradhan (NASA Rover Awardee).

Startup Pitch Events & Bootcamps
Students transform classroom ideas into real business solutions.

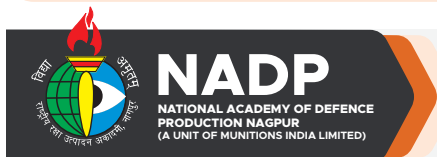

Patent Mentoring
30+ student-faculty design patents filed.

Through its collaboration with InFED (IIM Nagpur Foundation for Entrepreneurship Development), NADP encourages students to transform ideas into ventures supporting Atma Nirbhar Bharat.
